Clarksburg Municipal Building Commission Approved For Federal Funding To House Substation of Fire Department

Morgantown, WV – May 30, 2006: State Director Robert M. Steptoe, III today announced that **Rural Development** approved a Community Facilities Direct Loan in the amount of \$92,600 to Clarksburg Municipal Building Commission, Harrison County, WV.

Rural Development funds will be used for the acquisition and renovation of an existing building on Ohio Avenue to house the North View Substation of the Clarksburg Fire Department.

Steptoe stated, "Previous funding was provided by Rural Development in 2005, but due to cost overruns, an additional loan of \$92,600 is needed to help complete the project and provide critically needed public safety services in Clarksburg."

Rural Development serves as the lead Federal entity for rural development needs and administers program assistance through its rural housing programs, rural business programs, and rural utilities programs. The U.S. Department of Agriculture (USDA) prohibits discrimination in all its programs and activities on the basis of race, color, national origin, age, disability and where applicable, sex, marital status, familial status, parental status, religion, sexual orientation, genetic information, political beliefs, reprisal, or because all or part of an individual's income is derived from any public assistance program. (Not all prohibited bases apply to all programs.)
